

# London Spiritual Direction Network Public List 2010

An informal network of those interested in the ministry of spiritual direction living or working in the London area. This list is of those people from the network who have indicated that they are happy for their names and contact details to appear on a public list which is to be updated annually. Please note, this is NOT a list of those who work as spiritual directors, though many may be doing so.

**Disclaimer: Persons using this Network List to engage a Spiritual Director are responsible for ensuring that the person's directing qualifications and experience meet their needs.**
